

K-LOVE serves me by providing commercial free, wholesome Christian music for me and my family to listen to.

If an LPFM broadcaster displaces K-LOVE, the type and quality of programming will prevent families from having this Christian alternative on the airwaves in my area.

K-LOVE's programming format is in the public's best interest because it provides clean, fun, uplifting music without commercials. This allows for more music to be played.

Please keep K-LOVE on the air in my area!
